and however paradoxical it may seem today the grail mood is in the fullest sense to be found in russia and the future role that russia will play in the sixth post atlantean epoch a task of which i have so often had to speak rests firmly upon this unconquerable grail mood in the russian people rudolf steiner nov 3 1918 although eastern europe has been part of christian humanity for more than a thousand years its task and spiritual identity remain a mystery the answer to which cannot be found unless we look behind outer historical events to the spiritual meta historical dimensions of history this momentous work breathtaking in its scope and detail represents just such a penetrating esoteric study of eastern europe in the light of rudolf steiner s spiritual research

prokofieff shows how from the earliest times the future conscience of humanity flowed from hidden mystery centers in hibernia to the eastern slavic peoples as a result qualities of compassion patience and willingness for sacrifice developed in their souls creating a truly christian grail mood despite incalculable suffering from the persecutions by the mogul hordes of the thirteenth century to the bolshevik experiment of the twentieth century this quality has become an unconquerable force in the depths of their being in illuminating the maya of outer history prokofieff reveals the forces that have been at work to hinder the progress and future intentions of humankind those adversarial forces have created a karma of materialism that the eastern slavic peoples have taken upon themselves out of their exalted willingness for sacrifice will we be able to use the present opportunity granted by this sacrifice to fulfill the primary purposes of the present cultural epoch serious study of this book intended for students of spiritual science can lead to a profound awakening to the challenges that face humankind today

sometimes christians even those of us who have been following jesus for a long time have a sense of something missing we feel that we should be more comfortable and confident in our relationship with god we wonder shouldn't i be more capable peaceful joyful and spiritual we are hungry for more pastors rob king and eric ferris explore this longing of something missing in their effective and inspirational new release by explaining how you can experience an ongoing renewable increasing awareness of the holy spirit within

in all my reading i have never found anyone who has so helped me in understanding the scripture truth of the work of the holy spirit andrew murray yearning for something beyond a mediocre and self centered christianity frustrated by the sterile intellectualism preached from many pulpits longing for the power of the holy spirit you have read about in books and believe is able to draw a wayward generation to christ many of us are on our faces before god crying out for an awakening in our country and in our world law passionately shows us the path to this end from a solid scriptural foundation the holy spirit's power is at our fingertips it is within our reach true awakening must start in our own hearts it must start with us besides the bible it is difficult to think of a more needed and relevant book for the church today
